- Find out what technologies and research the Environmental Protection Agency (EPA) and US Department of Agriculture (USDA) are seeking, what money is available, and how to get proposals funded.
- Meet Federal program managers and get one-on-one feedback on your technology or research idea and how it fits with EPA or USDA objectives and opportunities for commercialization.
- Learn from Iowa and Nebraska SBIR awardees and find out about local SBIR support programs.

Sponsored by: Iowa State University Office of Intellectual Property and Technology Transfer and the Nebraska Business Development Center.
